

Sell by, Use by, Best before dates and Allergens

Dates

We check dates on the food in our parcels but the occasional out of date item may slip through our checks. Please check the dates on all food items before use.

Use by

This is about safety. Foods can be eaten *until* the use by date but **NOT** after.

Best before (BBE)

This is about quality – the food will be safe to eat but may not be at its best.

Sell by

This is for shops, to help them get stock cleared off the shelf.

Source – Food Standards Agency

Allergens

If you have any concerns about the allergenic ingredients then please check the manufacturer's allergen information and food information labelling when you use the food items.

This is your responsibility.

Many thanks from Diamond Hampers
